**Aronimink Business Association is now collecting dues for the 2010 year.** The dues are used to fund the work being done by the association. To date, the association has:

- Obtained a grant for the banners in place within the business district. The association rotates different themed banners throughout the year.
- Held a Neighborhood Fall Festival in October of 2007.
- Holding an annual Holiday Tree lighting in December
- Was instrumental in having Septa renovate the Aronimink Station.
- Sponsored three community networking and informational meetings
- With the help of Upper Darby Township, obtained a grant for a planning study of the district to identify opportunities and solutions for improving the district.
- This study is now complete and is necessary for obtaining future grants to fund improvements.
- Worked closely with Upper Darby Township to foster open communication concerning issues important to the association.
- Built a website ([www.aroniminkstation.org](http://www.aroniminkstation.org)) to provide the community with important information, dates of important events and a list of businesses within the district.
- Prepared a directory of businesses within the district and distributed them to the district businesses to foster business between members.
- Prepared an informational pamphlet for marketing the district.

Many of the above activities have required money. All have required time. The sole purpose of the association is to improve the district – your district. Such improvements will bring more public activity to the area and increase property values.

So, we ask you to visit our website, attend one of our monthly meetings held every first Tuesday of the month at 9:30 am at Brothers Pizza, get involved in the work of the association and help fund our activities by paying the annual dues. It will be time and money well spent. Please detach and return the portion below with your payment.
